Global Poker Setup

You will need to use Mozilla Firefox for this room. You will also need to use a specific version (62.0) Firefox.

The only settings that matter are:

Use the default 100% table size – the bot will automatically resize the tables

Set your Windows display "scale and layout" to 100%

Display avatars – ON

Open tables in a new window - ON

Four color deck - OFF

Table theme - black background with green felt
